

Verity Audio

Parsifal Anniversary

January 2015 will mark the 20th anniversary of Verity Audio. To celebrate this, Verity is thrilled to introduce the NEW generation of a legendary loudspeaker, the PARSIFAL ANNIVERSARY. Belonging to the legacy of Parsifal, the new PARSIFAL ANNIVERSARY comes in superbly crafted cabinetry showing beautiful lines and curves and embraces new technologies heightening its performance to new levels. It is the result of many years of extensive researches and developments bringing together innovative solutions to loudspeaker design. The traditional floor coupling spikes are now gone making place to the Verity's high performance floor-coupling isolation platforms. A new cabinet enclosure system and a new driver integration topology are specifically designed to enhance the sound intelligibility and coherence.

It results in an easy to setup product, offering the renowned musicality of the Parsifal along with substantially improved definition and harmonic richness. More than just a high performer, the new PARSIFAL ANNIVERSARY is also a luxury piece of furniture handcrafted with rigorous attention to details and glossed with the most durable and exquisite finishes. The new PARSIFAL ANNIVERSARY will bring years of musical pleasure and pride of ownership for decades to come.
